“ Olivia was our ray of sunshine. We loved her as if she was truly our granddaughter. She was loving and giving and so very kind. It weighs heavy on our hearts that her family has suffered the tragedy of losing her. Our hearts grieve with you. We know the depth of your loss. Our thoughts and prayets are lovingly sent your way.

“ I've known Olivia for several years now as she has been one of my daughters best friends. My heart is hurting for your family and I want you to know how very special she was to our family. She spent a lot of time with Erica hanging out on our patio talking and laughing. She was such a sweetheart and her loss is felt by everyone. As much as this hurts I want you all to know that her caring heart and her smile touched a lot of people. She will be greatly missed. We send our love, prayers and condolences.

*Tim, our hearts ache for you and your family. Will always remember all the kids growing up playing in the neighborhood and there without fail was little, spunky, smiling Olivia. It is hard to imagine that smile taken so soon. We will be praying for you all.*
