“ I am sharing my memory of Opal of how I remember that sweet lady. She was a dear friend of my oldest sister Drenda Jean Probus. She loved Opal and would always go on road trips to West Virginia with Opal. Drenda is in a rest home in Bowling Green ,Kentucky. I know in my heart that she loved Opal and Opal loved her and they were very good to each other. Please if I could bring Drenda home she would be there to show her respect for Opal Edlin. However I know I can't do that but I will call her and let her know today that Opal has gone home to be with Jesus. So you see I too knew Opal and know what a fine and beautiful lady she was. So my I am giving my respect for Opal Edlin and this is Drenda Jean Probus's sister and together we are giving Opal our respect just knowing that we both had the privilege of knowing Opal. May you RIP . Love and Miss you always. Gone but you will never be forgotten.
