“ *Otis, you will be missed more than words can express. You taught me many things about life. Strength, Endurance, Patience, Love--- you gave these words a whole new meaning to me that will never be defined any in Webster Dictionary as well as you expressed them in your daily life. Tell my momma, my dad, my brother all hello for me and give great big hugs to our Lord and Savior. Until we meet again, may Heaven bestow on you a multitude of blessings you well deserve. Wear your Angel wings proudly. Love always*

We were deeply saddened to hear about Otis's passing away here recently. He will most certainly be missed, but never forgotten. We will always remember the fun times shared, his kind ways and wonderful smile. May he rest in peace!
