“ So sorry to hear about your mother. I spoke to her when my Dad, Sam Accordino, her cousin, passed away in 2005. I remember spending the night with Ginny many years ago. I noticed that her memorial gifts were to Susan Koman. My sister Barbara and I are both breast cancer survivors Please feel free to contact me regarding family history. Once again so sorry about your Mom.

“ To the family of Pam, please accept our condolences, our thoughts and prayers in this difficult time. We loved her too and will remember many good times we all had together. Robert especially remembers the sharing of her sausage recipe with him.
