“ So sorry to hear of your mothers passing. I went to high school with Pam and she always treated me very good. i was not in the popular clique but she always treated me like a regular person. she was special and a very kind person. i moved away as sophomore but I always remembered her kindness and her willingness to treat the less popular kids as an equal. The world is a poorer place with her passing.

“ Pam will be sorely missed. So many memories of her beautiful piano playing and singing come to mind. My heartfelt prayers go to Phillip, Emily, Aaron, and the rest of the family.

“ Our thoughts and prayers are with Pam's family during this most difficult time. She was such a beautiful person both inside and out, and she loved serving the Lord.

Our loss is truly Heaven's gain.
