“ I have known Pam since 1983. We hadn't touched base in a couple of years- her phone was disconnected so I googled her name and found this. Simply heartbroken. Shelbie

“ I will always remember my cousin, Pam for her fun-loving personality and her great sense of humor. Spending time with Pam, you were guaranteed of plenty of laughs and never a dull moment. I loved the fact she was such a vibrant, free spirit. I called Pam a few weeks ago, and we caught up on all the Thomas family news. She was her funny self as usual, and had me in stitches. We always ended our conversations with "I love you!" Sadly, I didn't know then, it would be the last time I would hear those words from her. Pam will be missed greatly. My deepest condolences to all of Pam's family members.

Love,
