“ I truly believe Bro Blevins lived what he preached he will be greatly missed ,it was always a blessing to sing and worship at his church, Never knew a man that knew the Bible from beginning to the end by memory, he could quote every scripture. He was Earth's loss but Heaven's gain.

“ I'll never be able to express how much Bro George will be missed. I was so saddened to hear of his passing. I remember meeting Bro George as a young girl at camp meetings and many times traveling to the service on Friday night services with my mother Lelia Jo Oldfield and enjoying fellowship with the Louisville church. He was so loved by my now departed grandparents. I remember at my grandparents funerals he gave such sweet accounts of how much we truly loved each other's family's. I loved to hear him sing and play Rose of Sharon, and get so excited and shout when we would be in service together. Heaven has far too many saints and ones I love! I'm an only comforted that we will get to spend eternity together . He would say many times “I had hoped you would have been my daughter-in-law” which warmed my heart because to me he was already family, tied together through the mutual love of the Lord. I am deeply saddened he is gone, and I will hold all my fond memories of time spent with such a wonderful man. My whole family is praying and sending our warmest thoughts to the Blevins family and church.  
Love from Bro and Sis Oldfield's granddaughter Andrea

*Our sincerest condolences to his family and friends. We were blessed and honored to have know Brother George. He sure spent time with us as we went through cancer with Mark and surgeries. He surprised us when he came to the hospital for my knee surgery when he was ill himself. He sat with Mark through the whole thing and waited to see me when I came out of recovery. It was such a great surprise because we knew he wasn't well and yet make the trip from Shepherdsville to Bardstown just for us that day. It really touched my heart. It made me cry. Mark teased me that I was more happy to see Bro. George than him. That pleased Bro. George. We will always have a place in our hearts for Brother George because he always made us feel a part of his assembly. We always were so happy when he was able to make our services and be part of our special meetings as well. What a legacy he leaves as he was on business for the KING up until he took his last breath. No doubt in our minds, he was a TRUE SON OF GOD NOT ONLY PREACHING HE WORD, BUT ALSO LIVING IT. REST HIGH ON THAT MOUNTAIN WITH SR. GLORIA.WELL ONE OH GOOD AND FAITHFUL SERVANT. UNTIL WE MEET AGAIN.
