*The loss of a love one is so hard to face,  
you just want to hide,  
go some where and escape!*

*But death is something,  
we all must go through,  
I know it's hard,  
when it's someone you love and knew.*

*Now she is in a better place,  
no more hurt or pain shall she face.  
It seems unfair and yes this is true,  
but she is in Heaven now  
watching over you!*

*God has called her home to rest!!  
And she's being well taken care of  
Because God knows best!*

“ I only knew Patty for a short time, working with her through St. Joe's. Our community has lost a soul that truly cared for children. I will remember Patty's energy and wit. Many, many children will remember her as a guardian who advocated for them and cared for them. "Ms. Patty" was such an inspiring figure. God bless her boys for sharing their wonderful mother with so many other kids.

“ Ms. Patty,  
Words can not describe how much you meant to my family & I. You were ALWAYS so encouraging during our adoption process, watching over us like an angel. When ever I needed anything you and my St. Joes family were there to lead the way. Thank you so much for all you have done for us. You will be greatly missed. Your family are in our thoughts and prayers. Forever in our hearts, Ajamu, Daisa & the Fantastic 4 +1.
