“ I heard of your leaving today and my heart sank like the great Titanic. Speechless as I was, I bow my head in prayer. It was many years ago we laughed right on thru another year and it became our last laugh. I never quiet understood and wondered if u did. I know u have exchanged words with our father in heaven and probably even smiled at how peaceful ur new domain is. With that wonderful man, Jesus Christ I know your well taken care of. I'm positive that he held u close and all the sadness left ur soul. I'm thinking how beautiful it must be and how jealous I am that u went away. I will see u again on heavens turf and till I do, u smile and let the other Angels know ur fond of pretty bright pink flowers and love cheese balls around New Years Eve. God bless u Patty and see u one day.
