“ I am so sorry for all of you. She was so loving to everyone. She always remembered everyone's birthday. I don't know how she ever did that.

Not to worry, she's watching over all of you. I found that out when Junior passed on. Every once in a while I will get a whiff of him.

“ Mrs. Burton was a special lady from childhood. Even when I left the neighborhood I always sent a Christmas card just to let Her and Mr. Burton know that I never forgot them. (I just couldn't make myself call her Pat)

“ She was an amazing woman, when she was down here in South bend and I got to meet her and hang out with her she never treated me like I wasn't family. She always made me feel like I was one of the grandchildren. She was kind and very loving and she truly will be missed

“ I met Patricia 15 years ago and I have not met a more kinder and sweeter person. Just recently I had a friend request for Patricia Burton Well and I accepted her. Kind encouraging words came from her and made my sad day happy several times. Told her granddaughter how sweet this family member was when she told me it was her grandma. I knew it was family because it said Burton Wells but had no idea it was Patricia. She helped me through days even when she was down or sick. Love this lady and she will be deeply missed! You are a true ANGEL so rest in peace!!! love Dawn
