“ Patsy, Debbie and I grew up together. When we were teenagers Pat would drive Debbie and I around just for fun & to hang out at Burger Queen. One day we went to Putt-Putt where we met 4 boys from Butler. Little did we know that a few years later Pat and I would marry two of those boys!
She will be missed.

“ I remember her and my Mom talking across the backyard fence when our back yards faced each other! And I remember their dog Lucy and moms dog Dusty chasing each other along the fence! My mom and her had a lot of conversations across that fence! Trying to solve the worlds problems most likely! Lol. My mom really enjoyed their friendship! I did too and will really miss her smiling face! Heaven has another Angel! Rest In Peace Pat!

“ *Patsy and I ran around together off and on during high school, picked back up years later when Karl and Jeff were close friends in grade school, continued our friendship journey when we joined South Park Country Club, and enjoyed each other’s company when we both were in town and could have lunch with some of the girls from our AMHS class of 69’. It didn’t matter if we saw each other every day or not for a year, Pat and I could always pick our conversations back up where we left them, adding a big smile, tight hug, and a boat load of laughter. Love and will miss you Pat. God took this angel way to soon. Love and hugs to Tommy, Randy, Tim, Jeff and all the family.*
