“ To the Davis family. When I first entered public education as a teacher, it was Mrs. Davis who took me under her wings and taught me, nurtured me and above all believed in me. I have yet to meet someone else who was so devoted to teaching kids and instilling in others to have that same commitment. It is because of Mrs. Davis that so many students were successful in and out of the classroom. There is only one Mrs. Davis, but there are thousands upon thousands of students who have been touched by the master teacher Mrs. Davis. Her legacy will live on through them and teachers whom she nurtured. Mrs. Davis was a true and dear friend to me and my mentor.

Now she shall received her crown of glory.

“ I never met you Mrs. Davis, but you have such a beautiful family. Your son, Brad is a great person. I've known him since the fall of 2010 along with your husband, Mel. I talked with Brad often about you. You'll be so dearly missed. God bless you and your family.
