“ *What a devoted mother and grandmother! I can't even recall how many times I talked with Mrs. Donaldson. She was at almost every event in which her grandchildren participated. She even traveled to out-of-town dance competitions. My youngest children who grew up with Marybeth's kids at St. Martha and at two different dance studios knew Mrs. Donaldson's spunk and friendly smile. We continued to see her through my boy's high school years at DeSales. Jake adored her, and I always enjoyed hearing her stories of her recent adventures. She was a joyful, busy soul. I extend my sympathy to the whole Guerrero family and all who will miss the love and presence of this dear woman.*
