“ A sad day this family will never forget. Patsy has been the center of this familys being since I became a member . My kids,my late husband and I were at her and Greenies house for at least 1 or 2 days per week. The whole family seemed to gather there weekly. My kids considered going to Aunt Patsy's a part of their weekly life. Everyone, regardless of who they were, was always welcomed there. It was without a doubt, " the place to be". We will forever be grateful to this gracious lady and her awesome husband Greenie for the love and hospitality shown to all of us. My love and prayers go out to Greenie, Kim, Dennis, Mark, Nancy, Ashley and Bryan. We loved her so.
