“*Pat was an amazing woman who stepped beyond being a wife, a mother, and many other things.....but also took it upon herself in the midst of all she was doing.....to support her church on the organ for 60+ years of sacrificial service. In every sense of the word this was a powerful ministry. I served with her for a number of years as part-time minister of music. I loved her for her gifts, her sweet spirit, and her ability to serve in a way that made it seem easy.....even though I knew many times she was there when others would have stayed home. She was an example to many and a testimony to what God can do in a life. Becky and I loved Pat so much but we know we'll see her again. I wish the family peace and comfort at this time and will be praying for you.*
