“ Pat will be so missed. i love that you used a picture I took of her for her obituary. I told her to lift up her glasses so i could see her beautiful eyes. She was never comfortable getting her photo taken... but I am glad that I did get a few of her over the years that captured her fun personality and sweetness. So sad at her passing. I will miss her calling me "Baby Girl"... You are all on my mind and in my heart during this sorrowful time.

“ I never met Pat personally, I only knew her though Facebook. But I knew she was a special person, so kind. She always made a point to comment or send an emoji when I shared pictures of my grandchildren. She always had sweet things to say. I considered her a friend. She will be missed dearly!

Prayers for her family.

RIP PAT!
