“ Sandy so sorry to see here that your mom had passed, my mom Genny died Saturday, August 5th. Our moms worked together for so long and were such good friends. I will always remember the good times I had at your house.

“ Pat was a constant in my life for 60 years. She watched me grow into an old lady, and was forever kind. She mourned with me through the loss of both my parents. She was the first professional woman I ever knew. That's a powerful impression on a young girl. And I'm pretty sure there wasn't a person in PRP she didn't know. For me, it's the end of an era. I extend my heartfelt love and sympathy to the whole family.
