“ Victor & Family, We are so very sorry for your loss. Patty meant the world to us even though we didn't see her as often as we would have liked in recent years. Her personality could light up a room and she was the absolute life of a party. She will be sincerely missed. All of you are in our thoughts and prayers. Much love, Lois, Tony, Tanya & Amy

“ For years in School, etc. a group of us would always get together. Patty's name for us was "PEARL". She did have a way about her that let you know FUN and SMILES were going to be with us. She was so much fun to be with. And as someone else said, she loved her VICTOR, was very protective of him and didn't mind telling all how she felt!  
And of course, her kids. They were all EVERYTHING to her. I am so sorry for the family and other friends who knew and loved her! She will be missed! (Say hello to my Sister Reene up there Patty. You two will have so much to talk about)!

“ I will never forget Patty. She lit up a room when she walked in (most of the time) if she walked in not smiling you had better run lol. She loved her "Lucy" & loved her casino trips. Most of all she loved Victor her best friend & soulmate & ker kids and grandkids. Sending my love & prayers to all
