“ Oh so many from back in the day when life was simple,me you and Tina going to Deams lake, riding around in your big bronco, playing cards at each other's houses, all the party's and cookouts. You never met a stranger you will be missed by your family and friends. Watch over Tina she will be lost without you. Fly high now Pat no more struggles no more pain. God bless you and the family.

“ Way back when, Pat and I had been to Rockford Gardens and we had to walk back to his place because earlier he walked out locking the door behind him and then realized his keys were inside. Anyway, when we got to the apt. he easily carded to door and then we hurried in and shut the door only to be face to face with about 4 big biker dudes and a couple of rough lookin chick's! He had carded the wrong door!!! We all just stood there speechless....they were kinda pissed so we apologized as we were backing out the door!!! I rode him out so bad!!! We had a good laugh for sure!!! RIP ol friend!!
