We would like to share our deepest sympathies at this time. Please know that your loss is felt deeply here in Florida despite the miles and time that have passed, we loved her dearly. We send our thoughts and prayers at this time even though we are unable to be with you.

We have good memories with the family, playing as children, and many family dinners. Our memories of Patsy are all of her caring, smiling nature.

“ Jay, Burt, Dick and Missy.
Mom called last night and told me and I'm sorry to hear of your loss. We just started talking about how good your Mom and Dad were to us. Going to Nolin Lake was some of the best childhood memories and think about it often. It was always fun going with you guys, swimming, fishing, rubbing on some kerosene picking black berries, hikes, the food. It was all great and I want to thank you all, I'm sorry I didn't get a chance to tell your Mom and Dad. I hope you are all doing well.

Take care,

Patrick Tierney
