“ Dear Janet and Kristine:
When I learned of the death of your Dad, I was so very, very sad. I can remember them visiting us in college. The years have just slipped away. I know of your loss and hope that you are comforted in the fact that he truly is in the arms of the Lord.

Again, my thoughts and prayers are will you during this time.

“ Paul was always such a learned and honorable man--he treated me with great respect, even entrusting me enough to ask for advice outside of business.

I will always honor his memory.

“ Mrs. Fedde, Carl, Janet, Christine and families...We want to express our deepest sympathy for your loss of Mr. Fedde. We pray God's grace for you during your time of grief.

Looking back on his long life, I remember fondly all the times while growing up in Owensboro the family gatherings, camping trips, and times together with your family and the Lindseys. The memory I will always have of Mr. Fedde is playing golf with him and his sitting on a sapling to be able to hit the ball. Right before he hits it, he looks up and remarks, "I guess I won't be able to do this in 15 or 20 years"! I hope you can remember all the good times as well.

God's blessings to you,
