“ To Paul's Family: I'd hoped to attend today, but wasn't able. Paul and I became friends at Transy. Afterward, while I was at U of L and lived in Lou., we saw each other often and had many great times together. Paul was a gentle person who didn't have an angry or mean component in him. This was evidenced by his love for animals. Time has passed much too quickly and I regret we didn't stay in touch more often. My sympathies, thoughts and prayers to all of you.

“ *Dear Melissa and Jonathan
There aren't any words that can make your loss any less but I can say the world has lost a fantastic person with Paul's passing. He was one fantastic friend who loved both of you so very much. I learned so much from him about living the day to the fullest and being a good friend to all those around you no matter how they treated you. He was an example for all of us to follow, a person I am proud to call a friend. Please accept my sympathy and know you are in my prayers. Ginny*
