“ Of all my memories of Paul, the ones that stand out above all the others are the memories of his smile. No matter what was going on in the world or in his life, that smile was always there. I hope the memory of that smile will help to comfort his friends and family as they face a world without him physically in it. May the sight of a smile on the face of any friend, family member, or stranger remind us of Paul's continuing influence on our lives. Love and condolences to Missy, Erica, Tyler, Zach, Charlie, Donnie, Teresa, Marie, Deana, Donna, and all his other relatives and friends. Reggie Twyman

“ Have only known Griz for 13 years. We met Griz when we moved into Rivers End. We lived nextdoor to him. Whenever Griz went on vacation we would keep an eye on his place and he would keep an eye on our place when we were gone. I always felt very comfortable that our home was in good hands. Griz was a very good neighbor. R.I.P. friend. You will be missed by your Rivers End community.
