“ I am truly sorry to hear about Paula. We were childhood friends and went through school together but I hadn't seen her in many years. She had a great sense of humor and we had a lot of fun hanging out at each other's houses as children. To all of her family: You are in my prayers... God's blessings to you.

“ I am so sorry to learn of Paula's passing. I have not seen her in many years. I first met her in the early 1990's when working at Our Lady of Peace and then several years later we worked together at Maryhurst. I always enjoyed working with Paula and respected her as a co-worker. She was such a nice person and very compassionate, treating others with compassion and respect. She had a great sense of humor and would make me laugh. Rest In Peace Paula.

Did not have the pleasure of knowing Paula well, but am certain Regina's love for Paula tells how special Paula must have been. Please know my prayers are with you and will continue to be.
