“ didn't know there was a page to say something....to her children I pray for you.. she was very special to me can't imagine how special she was to ya'll and your great loss....I have planted a white camille rose bush in my yard in her remembrance....and for my holiday I found a white wreath with a angel all in white and hung it in her memory in my entrance way and shared a story of knowing her to all that came in...I miss her..I never met her but she was my friend...

“ My deepest condolences to Paula's family. We were the best of childhood friends and went to St. Boniface together. Many of my best childhood memories are of Paula and I playing together. She was a special person and I can hear that laugh now. God Bless all those she leaves behind, but know that she left an indelible mark on all those that knew her. Peace.
