“ I met Paula because of showing dogs. She became a friend. She was a lovely person. I lost track of her and only recently learned she was at Signature. I went to see her but I went too late. You have my deepest sympathy. We all lost a wonderful person.

“ I am so sorry to hear about Paula. I remember her well from high school. We hung out quite a bit senior year and had a blast - it's just amazing that was 30 years ago. My thoughts and prayers are with you in this difficult time trying to deal with a life ending way too short. Theresa Veasey Bascom AM'81
