“ Jan, Steve and Randy so heart broken about Peggy and sorry I won't be able to make it today. I have an upper respiratory infection. Love and prayers are with all of you today and always. Such great memories I have growing up with the Vernon's as our neighbors and playmates and Peggy teaching us to dance while American Band Stand was on. ❤️ I talked to Joy the other day if she doesn't make it today it is because she is down in her back and can't hardly walk. God Bless all of you. Linda Tackett Wright
