“ *Penny and Tim have been very close to our neighborhood family. They are truly loved. I have never seen such a fighter as Penny. She overcame so many things along her last years' s journey. She hung in there despite many obstacles. She will be missed, but she has a new home now and a new body. God bless the whole family. We are so impressed with the family support that she and Tim have. What a wonderful group of people. Carole and Don Carman. And the rest of the neighborhood.*

“ *Judy and I send our deepest sympathy to Penny's husband, son and all of Aunt Hadgies's family for her passing. May God Bless you all during these difficult times.*
