“ *I'm sorry I wasn't able to be there today. My favorite memories of Percy are of pheasant hunting in Illinois. He actually taught me gun safety, even though he probably didn't know it at the time. I simply watched what he did. I still remember how he acted and have followed that to this day. Percy lived a good, long life and was surrounded by his family who loved him. I know he will be missed, but take comfort that he is with Cuba.*

*Love and prayers,*

*Dennis*
