“ Many happy memories shared with Gene, Carlene and Peter. World's Fair in Tennessee was my favorite. My children recalled their visit to KC and going to Worlds of Fun with their cousin Peter. We loved our cousins as though they were sister and brother. Only wish I could have met his Foster Family as we heard so many great things of them. I send my thoughts, love and prayers to all those who gave this fine young man such a happy life.

“ I always enjoyed going to Special Olympics softball tournaments in Owensboro with Peter, except he would always call it SLEEP & EAT ❤️ If we ever lost track of him at Golden Corral we just had to look up at the buffet and that is where he would be. Tell Angela, and Mr Thieneman hello for me. Until we meet again. prayers to all the ones who loved him and cared for him.
