“ Phillip you were a great man and no one can ever take the place of the accomplishments you made in your lifetime here on earth. You were the type of man that could light up the room with your jokes and or smile. You were a great 2nd cousin to me also known as (Uncle Phil) and I will never forget you. But you are in a better place with no suffering and or no sorrow and I cant wait til the day I can join you and see your smile. My heart goes out to your immediate family as Aunt Margerete is a very strong woman and you had a great mother. I love you Phillip and you will always have a place in my heart! Love Brandi Lynn
