“ *What a sad time for all of us who were honored to know, and spend time with Phyllis. I will miss her, and our long conversations, her uplifting laugh, and the expressions she would show when hearing surprising news. Phyllis was a joy to be with, and true friend. May God Bless her family with the peace of knowing she is home, and awaiting the time she will see them again. To Dave, David, Paul, Josh, Cassie, Brad, and Tracy, know Johnny and I love you all, and we share in your sorrows through this difficult time. Knowing Phyllis as I did, I can say she was always looking out for the happiness of her loved ones, and she would not want her passing to cause them heartaches. Her spirit will live on, she will be near, may all of you take comfort in that. Johnny and I are so sorry we can not attend the services, but we are here for all of you. Pam McGinity*

“ Where do you start with Phyllis? I can only say that in the time she and Paul have been back in Kentucky have been a blessing to Donna and I. We have gotten to really know the humor from Phyllis She has always been a friend to us but she and Paul have become more like family now. She got with Terri and Donna to cost me a lot of money, and now we are well on our way remodeling our bathrooms!! LOL. We really wanted your *EXPERT* opinion on the final touches!

She has laughed at my silly jokes And still had a little humor to throw in the pot for herself. We will miss her immensely. I'm glad we got to tell you we loved you the last time we all went to date night (A ritual Donna and I started doing with Paul,Phyllis, Mark and Terri. God speed girl, the man upstairs needed another good one!! And he got one. Love ya!
