“ *I have so many good memories of Gayle. I enjoyed spending time with her over the years. She always welcomed a visit, and I truly felt at home when I was with her. I felt as though she enjoyed my company, even when I was just a kid. I think it was because I sensed her sincerity. I remember how she paid such careful attention to Damon , Daron And Andrea.*

She always made sure those shoe laces were tied tight so they wouldn't come loose!

Every morning beds were made right on time, and the house was always clean. I don't think she knew what it meant to be lazy.

And even when her health started to decline she never gave up.

What a good example she was in so many ways!

With love,

Kim

I was Gayle's sister in law for seventeen years, she was always good to me. Both my sister's and law were like good friends. Gayle was a giving person, funny and thoughtful and may she find peace in God's loving arms. Condolences to her children whom she loved more than anything.
