TO

“ For the record, my Aunt Phyllis always said I was her favorite -- haha just kidding! Some of my favorite memories were taking trips to Denton, Texas to visit Phyllis and Garvey. One of my first childhood birthday presents was a Dallas Cowboys football uniform that she got me, a true classic! She was the most welcoming person, always fun to be around, and took me to my first casino! I love you Aunt Phyllis, rest in paradise!

“ I had the pleasure of getting to know Phyllis over the past year and she was the most genuine person I know. I'll never forget telling her I missed my grandma and she said "I'll be your grandma!" That's just who she was. Always there for everyone and had the biggest heart. Praying for her entire family. Phyllis' is always here in spirit, and loved deeply.
