“ I was just looking over some old slides from my time at the 24th Evac & was wondering where folks were. I was so sorry to hear that Scotty, as he was known then, has died. I would have like to have thanked him because he saved my life. If it wasn't for Scotty, I wouldn't have had these bonus 50 + years. A really great guy & a great corpsman. Would have loved to have spent a little time catching up. Thank you, Scotty! CPT. Patti.

“ I just found this sad news. I took medical training at Ft. Sam Houston with Scott. We were also at the 24th Evac Hospital in Vietnam together. He was a really funny guy, the life of the party. I tried to track him down when we were planning to get together for reunions, but I didn't have any details of his whrereabouts. So sorry to have found him this way. Condolences to the family. “ I knew this great guy from his computer business. He would always be quick to give me advice and pointers about computer building "back in the day". Frequently thought about him whenever I went by his old business area. Always friendly and helpful to an ignorant novice like myself.
A final "Thank You", Mr. Goins.
