The fascination you have with the how big your family is and how all the people in the world are brothers and sisters, your fascination with learning and how you are so full of questions. just remember Grandma is always listening. you are my heart. I know you are fishing with your Grandpa and playing with Lillian and meeting the rest of your family in the arms of God being that perfect Gods Angel. Always and forever in my heart. “Katie and Family... Our hearts have been so broken for you. little Elliott is all I can think about in this time and of course you- mimi and poppy, the girls who were more like sisters than cousins, their daddy and the rest of the family. I wish I had words for this to make you feel in the slightest way brighter and further from this darkness. But I don't. Just know that we are ALL here rallying around you. Breanna and Bella are in the front line of this. And love their baby cousins so much. You are a solider Katie, lean into your faith and your strength. We love you so much and we are here every step of the way when you should need us.
