“ My name is Lester Millard (Boo) Bradway. Rebecca was my cousin. My Mother was Sybil Bratcher, Dean's Sister. I have seen her at a couple funerals in the last 15 years. She looked great. I didn't know her last name was Knop now. I started trying to find Rebecca or Lowell after I heard about Jane Passing. I have lived in North Carolina for 37 years. I tried to contact Kelly Brady when I saw on line that she was looking for information. When the girls were young they would come to Munfordville and spend some time with us. Their Mother Iris was a great person. If any of you would care to call, my number is: 704-431-4314. I would enjoy talking to any of you.

“ *My Aunt Becky was my second mother. I grew up knowing her love and kindness. I spent many happy times with Aunt Becky and all my cousins, her children. Pana, Carla, Darrel, Damon and Luann. They were my second family. Our families would always get together for weekends, holidays, birthdays and just any day out of love and fun! After my own mother, Jane Bratcher Gagel, Becky’s older sister, died I felt even closer to Aunt Becky. Although we didn’t see each other much, we kept in contact. I always called her on Mother’s Day and tried to keep up. She was always a bright light in my life. Never a bad thought. I love her dearly and will sorely miss her. I believe she will be another Angel in Heaven that will watch over ALL of us. Goodbye Aunt Becky. Love you so much.*
