“Gunny Huiet made a lasting impression on me as he did on every Marine or person that crossed his path. Gunny would always offer his advice and direction on anything, even if he had no clue on what you were talking about. His hard charging advice and wisdom always got me through the toughest of days. As a young Sergeant, I always looked up to the older Marines for their wisdom and confidence. Not all older Marines would give you the time of day, but Gunny Huiet always made time for me and many, many other Marines. Gunny you really meant a lot to me, I can tell my family or friends a story about you and it's always the best stories, they want to hear more about "This Gunny". Whenever I bring up the Marine Corps they wanted to hear more stories about you or bring up a story I told of you from years ago. My point is that you make a lasting impression on people who haven't even met or seen you before. You will always be missed, and I can't wait to see you again at the gates of Heaven, save me a spot, I would love to stand alongside of you guarding our Lord's pearly gates. Semper Fi Gunny Huiet.

“ To Catherine Huiet, Ronnie and family,

It is with me and my family's deepest sympathy to hear of Gunnery Sergeant Mark C. Huiet's passing. I served with this Marine a great deal of my time in the Marine Corps in some form or another from the School of Infantry to 2nd Battalion, 2nd Marines. His mentorship, caring attitude, professional demeanor and loyalty to his fellow Marines were second to none. It was and is an honor to have known this Marine, Father, Son and Man because he cared so very much for the people he loved and cared about.

I am sad to have lost a best friend and brother in Mark. He now sits with the Lord our God on Heaven's Scene and will guard the gates until we all come home. The Lord has a special warrior in his ranks now and he will be proud of Mark's great works here on earth. I want all of you to know that I am here if you ever need me, and my family will be thinking of you in this very sad time. I will never forget Mark and will always remember him as a leader who never gave up. There are many like Gunnery Sergeant Mark C. Huiet but Mark is second to none. He is the best of the best and all of his pain is no more and may he rest in peace.

As a Marine Corps JROTC Instructor at Abraham Clark High School in Roselle, New Jersey, Lieutenant Colonel James Sfayer and I have graciously created and named an award after Mark called "The Gunnery Sergeant Mark C. Huiet Award for the Cadet Staff Noncommissioned Officer Leadership Award of the year. Each year from this day forward we will choose the Cadet that most mirrors Mark's leadership style and abilities and will send you the name and a photo of each presentation. I am honored to do this for my great friend and know he would be proud to know that his legacy will never cease.

God bless all of you! For my brother's family,
