“ Rhonda Rhonda Rhonda we have been through everything together from having curfews that we were mad about to relationships that went to the left but through it all we could always depend on each other.

To our dear brother, Isrom, mother Geneva, and the entire Johnson family, we are deeply sorry to hear of the loss of sister Rhonda. Words are not adequate to express our sorrow. Please know that you are in our prayers. As you go through the grieving process, we pray that the Lord grant you the kind of peace that only comes from above. May it guard your hearts and minds. Sending all our love.
