“ I'm so sorry to hear about your loss. Jehovah God gives us comfort at John 5:28,29 where it mentions that we will see our dead loved ones again. This is what He promises us. We know this because God is perfect and can't lie. I hope I have brought you some comfort in your time of need. Once again I'm so sorry. For further information please go to JW.ORG.

“ I worked with Rick at Bennett and Bloom until I had to go on disability in 2012. Rick was a joy to work with and fun to party with. He was always ready to lend a hand when needed or just to save you from doing it. He gave up a day off to help me move which was so greatly appreciably! There can never be enough said about the wonderful things Rick did and I guess the good Lord needed him to do things for him now. It sure does hurt down here though. My thoughts and prayers are with Brenda and the rest of the family. Sincerely Tonda

“ May god bless the Keller's. Sorry to hear of your unfortunate experience at this time. I had the pleasure of getting to know and go to school with Amanda at Waggener. It hurts my heart for her to experience this pain that I know too well. Stay together and uplift one another.

“ *I am so sorry for your loss.
I worked with Rick for a couple of years at BBEC. He was always so nice. He even helped me when I got super glue in my eye.
