“ *Richard was my first cousin, the son of my dad's oldest sister. I am so happy that he and I reconnected via Facebook a few years ago. We shared many common interests and we had some wonderfully informative discussions via Facebook.*

*Like me, Richard, was a veteran--he, in the Army and I, in the Navy. He was extremely proud of his service to his country and of being a member of the First Cavalry, as was my late brother, Terry. Richard told me many times about going to Washington, D.C. to visit Terry and of volunteering for the Old Guard, the unit that protects and serves the Tombs of the Unknown Soldiers at Arlington Cemetery. I have included the First Cavalry Shoulder Patch and also that for the US Army.*

*We lost a mighty good man here and I offer my prayers for strength and peace to all his family and friends.*

“ As we prepare for this day, I wanted to take a few minutes to reflect on what a beautiful person my father-in-law was. I remember him asking Matt and I if he could plan the music for our wedding. He loved the bag pipes and asked if we would mind having them in our wedding. It was the most beautiful sound I remember from that day and the look on his face when they were played was absolutely priceless. ❤️

*He was such a sweet and caring person and never once did he ever make me feel as if I wasn't his own, even up til the end when he told me "I want you to feel like you are a part of this family and can bring suggestions and thoughts or ideas in my behalf". For him to be so ill and think of me and my feelings explains the type of person he was and will always be in my heart. I will miss seeing his sweet smile and getting one of his loving hugs and am so thankful for the few hours I got to spend alone with him talking and listening to his favorite tunes of the "Mavericks"!*

*Rest In Peace Dad! love you and will think of you often and miss you so very much ❤️*

“ *Richard Cashon was one of the best men I have ever known. His family meant everything to him. I will never forget the kindness shown to me and my family by Mr. Cashon. He would have given you the shirt off his back. He raised his children the same way. Marsha, I can't make it to the viewing. Butch has a fever and I am afraid to leave him. My thoughts and prayers are with you. I am sending a donation to the meal kitchen. I love you guys. Rest in peace Richard, rest in peace.*
