“ *What a true gentleman Dick Dooley was! I met him for the first time when I was 15 and he was Kentucky Wing Commander.*

He may or may not have known it, but many people in that organization learned a lot about working together and getting things done from this man.

I would say he will be missed, but what he taught us through his bearing, demeanor, and actions are part of all who know him.

Thank you family members for sharing this good man with the rest of us.
