“ I worked with Richard at 6th & Cedar starting in 1978. We have stayed in touch all these years even after life takes us in separate directions. Will miss his dry humor and insight into current events. Prayers to his family.

“ Susan: Richard and I worked together for almost 10 years in Frankfort, and I considered him a good friend. I spoke with him a few months ago, and he said how much he appreciated your help during his illness. My condolences to you and your family for the loss of your brother.

“ Susan, I was so sorry when I heard Richard was ill and now at his passing. He missed his beloved father when he passed and now we will miss Richard's dry wit and spirit. Please know that he contributed so much during his tenure as Supervisor and as a person. Sharon

“ I am very sorry for your loss. Richard and I worked together for a few years at KAMES and he was one of my favorite co-workers. He always made me smile and was such a kind man. I learned so much from him and he was always there to help me.
