“ My good friends, Rick and Shelia were like family to me. Back in the “old” days when I was a lot less sure of myself Rick always had a way of making it ok. He had this implicit grasp of what it really means to meet the world with an open heart.

“Rick, I have not spoken with you for so long, but I will miss you! Safe travels on your next journey, my climbing, backpacking, co-worker... Dear Friend!”
