But I will not miss 'counting your strokes in golf'.

“ To the Watts family, I am sad to hear of your loss. Rick will always be remembered in my heart, what a funny guy. Talked to him everyday on the phone when he would call the Corporate office, I think the only time I didn't is if he wasn't at work, a rarity. Will miss hearing his voice on the other end but will never forget it, will miss the funny stories about the grandkids and all the pictures of them he loved to email and share. My prayers and thoughts are with you and yours Rick...R.I.P

“ *I am experiencing my first loss of a very close friend. I will always remember all the times we were together during trips to Hilton Head, cruise to Hawaii and all the many other outings we were together on. He was a very good friend and I will miss him dearly. I express my deep sympathy to Lori, Matt and Mitchell and the entire family. I sure will miss Rick. One last comment: How can you lose someone when you know where he is.*
