“ Aubrey, I can't imagine what you and your family are going through right now. Although I feel any words I have for you are just hollow and do nothing to relieve your pain just know I will pray for you. God bless you!

“ I am so sorry for your loss. I did not know him in person and just read about Ricky from a site I follow about PA targeted parents. I have experienced similar pain and grief over my children and the system and I have felt that helpless, hopeless feeling too. I regret we were never able to meet in a group that may have brought some comfort and support. Please know that Ricky's death will not be in vain. He has already touched so many of us. Many hugs and condolences. I want you to know, that despite never meeting him in life, he is in many hearts and thoughts today. I will be making a donation to the KY Humane Society in his name.
