Ricky & Becki, we want to express our deepest sympathy to you. Your dad sat behind us in church for years and we got to know him and grew to love him. Funny how you can share some of the simplest things and grow so close. I visited him a few times when he was in rehab, back a few years ago when my mom was there also. He was so sweet and we talked to one another like we had known each other are whole lives. He truly was a special person and will be missed very much. God's comfort and peace be with you. Buddy and Vicki Norman (Doris Maupin too!)
