“ *Dear Baker Family,
I was so sad to hear the news about Rickey;
my deepest sympathy to all of you. I think I
met Rickey when we were six years old and
we were friends ever since. I have many great
memories of him at the Powers' farm and of our families camping
together for several years. I am so grateful that we had the reunion
parties, (the first one Rickey and Janet hosted) those gatherings
meant so much. All of us together after so many years having so
much fun, just sharing memories. Ricky was a wonderful friend and
he will always be in my heart ,as are you all. May God comfort you
in every way. Love to you all.
Sincerely,
Christina (Tina) Royal Lipsey*

“ We will miss you very much. Frank and Rochelle Royal. From childhood memories the jets and the cowboys in the side yard lights out each bedroom window sometimes till midnight. Basketball, fishing, hunting and bowling. Four wheeling and getting stuck more than once because I would talk you into something you really didn't want to do. From all of the family of Royals and Moore, Eva, Tina , Sally, Beckey, and all of are children our thoughts and prayers are with you all .The Lord has Rick now may he rest in peace.
