“ *Russ and Family,*

John and I were very shocked and saddened to hear of Rita's passing away.

John worked with her for many years. Of course, he worked with and has known you many years. I remember years ago, Rita had been ill or had surgery I think and we went to see her. John had grown some cantelopes and we took them to her. She was too young to go. What a loving tribute you had in the Courier-Journal's Obituaries. She will long be remembered, missed and loved by many.

Prayerfully,

Jane & John Liello

If there is anything I can do please don't hesitate to call me.
