“ I knew of Mrs. Robbye from Elmcroft assisted living. Each day when I would visit my grandmother she would think I was there to see her. She called me David, I see now that David was her step son and Tammy she spoke of was his wife. I wanted you to know she spoke of you often. It was my pleasure to have met Mrs. Robbye what a pistol she could be. Tabitha

“ Pam, My heart aches for you and your family who are left here without her. She suffers no more and is giving everyone up there an entertaining time that's for sure.
